Thursday May 14th, 2015 – Our guides will help you relive 400 years of action packed history. You’ll see fine old 17th and 18th century buildings, fortifications and picturesque places such as: the Chateau Frontenac, Dufferin Terrace, Notre-Dame-de-Quebec-basilica and Place Royale. You’ll also enjoy a guided visit of the Citadelle with information about the American attacks, development of the fortifications and you’ll be able to visit the Citadelle Museum which re-opened in May of 2014 after extensive renovation.

Friday May 15th, 2015 – With our guides we’ll spend the morning visiting the St. Lois Forts and Chateau Historic Sites beneath the Dufferin Terrace, an archeological crypt revealing what was for 200 years the official seat of power of the French and British governors. A lecture by a Parks Canada archeologist will enhance your understanding of this unique place and the more than 1 million artifacts that reflect the life of the governors and their households. We’ll end our tour with a ‘Chocolaty Time’ at Chateau Louis with an interactive and fun chocolate tasting.

In the afternoon we’ll carpool to sites of your choice on the Cote de Beaupre including a woodcarving shop, a copper and silversmith’s shop where you can try your hand at working with copper, or visit the cathedral of St. Anne de Beaupre, the most visited pilgrimage site in North America, founded in 1658.
